MICHIGAN ALERT!

If you spot any petition-gatherers for the Michigan anti-affirmative action ballot initiative ... (the so-called "Michigan Civil Rights Initiative")

The petition-gathering drive for the anti-affirmative action ballot initiative in Michigan sponsored by Ward Connerly must be defeated. The next several weeks will be critical. They need 317,757 valid signatures by 6, 2003 to get the racist initiative onto the November 2004 Michigan ballot.

If you spot any petition gatherers for the Michigan anti-affirmative action ballot initiative (the "Michigan Civil Rights Initiative") please fill in the information below.

We will be organizing and dispatching "street teams" to locations throughout Michigan based on the information we receive to educate potential signers about: (1) the deceptive nature of the MCRI petition, (2) what is affirmative action, and (3) why they should not sign to get the Michigan Civil Rights Initiative on the ballot.

A "how-to" guide to effectively counter the lies of the MCRI will be posted soon. Contact us if you would like to get involved.
